SKILLS

BACKEND

PHP · Laravel · MySQL · REST APIs · Python · Composer

FRONTEND

HTML5 · CSS3 · JavaScript · Blade

CYBERSECURITY

Nmap · Wireshark · Burp Suite · Metasploit · OWASP Top 10

NETWORKING

TCP/IP · Network Troubleshooting · WiFi Setup

TOOLS

Linux (Kali/Ubuntu) · Git · GitHub · VS Code · Postman

SOFT SKILLS

Communication · Problem Solving · Self-Learning

EDUCATION

Diploma in Information Communication Technology
Thika Technical Training Institute
Completed July 2025

CERTIFICATIONS

Networking Basics
Cisco Networking Academy

Introduction to Cybersecurity

WORK EXPERIENCE

ICT Trainer
Nov 2025 – Present
Thika Talents Technical College

- Deliver practical lessons on Microsoft Office applications (Word, Excel, PowerPoint).
- Guide hands-on lab sessions and support students in building core ICT competencies.
- Prepare lesson plans, notes, and assessments including tests and practical tasks.
- Oversee computer lab equipment and software, reporting and resolving technical issues.

WiFi Installation Assistant
Aug – Nov 2024
Spantech Systems Limited · Thika, Kenya

- Installed and configured routers, access points, and network devices for clients.
- Troubleshot WiFi coverage issues and optimized access point placement.
- Advised clients on network security best practices and basic troubleshooting.

ICT Assistant INDUSTRIAL ATTACHMENT
Aug – Nov 2023
Kenya Institute of Software Engineering · Thika, Kenya

- Installed, configured, and maintained computer systems across multiple departments.
- Provided user support by diagnosing and resolving hardware, software, and network issues.
- Maintained computer labs ensuring systems remained updated, optimized, and secure.
- Conducted end-user training sessions on Microsoft Office 365 and basic ICT operations.

PROJECTS

SecureVault API `Laravel · MySQL · JWT`
Production-ready RESTful API with JWT auth, role-based access control, encrypted storage, and rate limiting.

NetSentinel `Python · Nmap`
Network scanner and vulnerability mapper that enumerates open ports, detects services, and flags known CVEs.

CTF Write-ups `OWASP · Burp Suite`
Curated CTF challenge solutions covering SQL Injection, XSS, buffer overflows, and privilege escalation.

ICT Authority Kenya · Cisco Networking Academy
